

7 Seconds of Glory - A Tribute
By Ashli Lomeli

Welcome to Chili's;
It's Wednesday, my dudes.

Do you remember Jared? 19?
Michael with a B? Afraid of bugs?

The desperate tears of Bach,
Spaghetti pouring from his pockets
Like the dancing man at car dealerships?

Oh, peel back that red crumbled Christmas
and see

Fr E Sh A Voca Doo

Thanks

Trey's basketball game is tomorrow
He plays point guard.

Come get y'all juice! But beware
Of glass oven shards that crash like
Hurricane Tortilla.

Kevin! Watch the light!
Don't you wanna be a cowboy, baby?

Look out for all those chickens,
And one day you'll find
Your berries

Merry Chrysler
